

## THE PREMIUM TALKSWITCH BUSINESS TELEPHONE SET

The perfect telephone for those who understand that every call counts. A premium business speakerphone, the TS-600 features a large adjustable backlit LCD display, a sleek, user-friendly interface and versatile programmability. This telephone set offers superior sound quality and sleek headset integration, with two headset ports and a built-in amplifier. The impressive 48-square-cm display is easy to read for enhanced efficiency.

**Single-cord convenience:** The TS-600 can be powered through a telephone cable connected to a wall jack or a cord adapter. Only one cable connects to the telephone, making installation easier.

**Designed for TalkSwitch:** The TS-600 is designed exclusively for use with TalkSwitch systems and delivers unique features such as on-hook paging and intercom.
